

P-2000zx Electric Sweeper

The Core Advantage

The new fully enclosed sweeper adopts a closed cab, which is suitable for use in cold and harsh environment

1. Special cab and aluminum alloy body structure reduce the body weight.
2. Fully enclosed cab shall be adopted to avoid the influence of bad conditions such as weather and noise on cleaning work.
3. Humanized design concept provides users with safe and comfortable operation environment.
4. Adopt advanced filtration system, larger filtration area and stronger dust absorption capacity.
5. High strength frameless glass side door, wide vision, no dead angle.
6. Super large capacity stainless steel water tank can spray water for a long time to reduce dust.
7. Led over capacity headlamp can be operated at night more safely.

Performance Features

1. Automatic garbage dumping system equipment three-position four-way hydraulic valve workstation, hydraulic cylinder, etc.
2. Hydraulic dump system improves working efficiency, fully automatic operation, safe and reliable.
3. Adopt 48V free maintenance battery for power, energy saving and environmental protection, continuous use time longer, optional lithium battery.
4. The advanced lengthening filter element is used to filter the area volume, the dust collecting ability is stronger, and the filter element is convenient to replace.
5. Increase the volume of the garbage bin to a capacity of 240L
6. The double door design of the cab allows the doors to be switched independently.
7. Perfect docking trash can and cleaning car
8. Automotive painting process, automotive tempered glass, elegant and beautiful

Performance Parameters

S/N	Item No.	Unit	Specification
1	Sweeping width	MM	>21000
2	Productivity	m ² /h	15000
3	Max climbing capacity	°	>30
4	Main brush's length	mm	800
5	Side brush's diameter	mm	500
6	Power supply	v	48
7	Continuous working time	h	6-8
8	Waste hopper capacity	L	200
9	Capacity of water tank	L	180
10	Driving power	w	1800/3000
11	Rolling brush motor	w	700+500+100*4+50
12	Turning radius	/	Standing half turn
13	Max Driving speed	Km/h	9.9
14	Max working speed	Km/h	7
