Small Walk Behind Floor Scrubber PA530

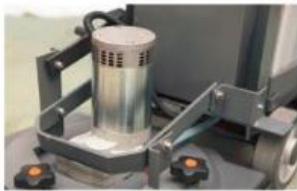

Product Introduction:

This swift battery powered floor scrubber is suitable for small and medium area cleaning. It is compact, flexible and easy to operate with affordable price. With the large water tank and powerful battery kit, it can complete various cleaning tasks.

Features

1. High power motor, good performance and long service life.
2. Control panel double switch design, extremely simple and comfortable to use.
3. Cast iron technology is adopted for water absorption pickling, which is durable and easy to maintain.
4. The water tank adopts polyethylene roll molding process, with corrosion resistance and impact resistance.
5. Import floor motor provides stronger cleaning power.

High power motor, good performance and long service life

Large capacity battery to meet cleaning requirements

Unique arc brush cover design, beautiful and durable

Sewage filtration, efficient protection of motor

Cast iron technology is adopted for water absorption pickling, which is durable and easy to maintain

Can adjust handle and easy cleaning

Product Parameter

Technical Data	Voltage	Cleaning Width	Suction Width	Area performance	Brush Motor	Suction Motor	Water Tank	Dimensions
Unit	V/AH	mm	mm	m ² /h	W	W	L	cm
