Walk Behind Scrubber BA730BT

Features:

Walk behind scrubber BA730BT can scrub and dry the cleaning surface at one time. Cleaning with this machine, all sewage, dirt and sand can be sucked into the sewage tank and the surface is as bright as new. This easy-operating machine is flexible and offers excellent maneuverability. It can reduce workload and time, improve cleaning quality, and is an ideal choice for 5000-10000 square meter area.

The aluminum casting squeegee has excellent anti-corrosion performance. Equipped with bracket wheel, the squeegee has better stability in work.

The aluminum casting brush head has better anti-corrosion performance. Brush replacement is easy and quick.

Simple and beautiful operation panel with battery meter, operator

Can check battery power visually

This machine takes AMETEK suction motor, dedicated air inlet duct and outlet duct ensure the suction motors service life.

Large water tank can meet cleaning requirement for large area.
