Walk Behind Floor Scrubber PA3

Product Introduction:

Walk behind floor scrubber PA3 has high cleaning efficiency and can meet more strict cleaning requirements. It is ideal for easy, safe and convenient handling and is the best choice for small area. This compact machine makes itself an excellent performance in small area and is easy for storage and transportation.

Features:

1. Import battery meter, easy to check the battery power.
2. Brush contact pressure is adjustable.
3. Transparent hose, easy to check the fresh water level.
4. Transparent sewage tank cover, easy to check the sewage water level.
5. Integrated aluminum squeegee, anti-corrosive and easy to replace squeegee blade.

Panel control start
easy operation

Two water injection nozzles
humanized design

Unique pressurisable design
to meet different needs

Unique triangular brush
disc design, automatic up
and down brush

Integrated aluminum cast suction
grill design, corrosion resistance

Imported suction motor
strong suction
