Multi-Function Carpet Vacuum Cleaner

Introduction of Multi-Function Carpet Vacuum Cleaner

Daily cleaning and care are very important to maintain the lasting and elastic luster of carpet. The traditional brush machine can only clean the surface of the carpet and flatten the carpet hair. Our company has designed and manufactured PL-300 three in one carpet extractor, which can deeply clean the root of the carpet, effectively comb the carpet hair, and make the carpet bright as new and more elastic.

Advantage of Multi-Function Carpet Vacuum Cleaner

- 1) Spray water, absorb water and brush at the same time
- 2) Triple filtration with split nozzle, easy to disassemble
- 3) Automatic adjustment of roller brush height
