Grey

Customized color is available

ITEM	Value
Sweeping Width	>2100mm
Cleaning Capacity	>18000m <sup>2</sup> /h
Main Brush Length	700mm * 3 (Dia 400mm)
Side Brush Diameter	500mm
Power Supply	48V150AH Maintenance free battery
Filter Area	8m <sup>2</sup>
Working Time	6 ~ 8H
Dust Hopper	240 L
Dust Hopper Lift Height	>900mm
Water Tank	120 L
Max Driving Speed	10 Km/h
Working Speed	7.0 Km/h
Climbing Capacity	30% (Slope Degree)
Front Wheels Shock Absorbers	Dual Hydraulic
Dimensions (L/W/H)	2900*2100*2000mm
Net Weight	1050Kg

Due to product upgrades, specific parameters may change slightly, for more specifications about this sweeping machine, please contact PIVOT Machinery.

## Easy to control

Simple Control Panel  
Easy to Operate with no  
special training

## Comfort to Drive

Safe and Comfortable  
Driving Cab and Operating  
Environment  
Reverse buzzer  
Flashing Light

## Pedals in the Cab

Easy to drive  
No need special training
